The Important Concept Note: -

1. The combination of papers is based on the syllabus approved by the chancellor office.
2. In faculty of commerce there are following three group of Courses for 4 years degree course:
 - (i) Group-A - Finance & Accounts Group
 - (ii) Group-B - Marketing
 - (iii) Group-C - Human Resource Management
3. The Major Subject once selected for any group (Financial Accounting/Principles and Functions of Management/Principles and Functions of Management) cannot be changed.
4. The Minor Subject for any group (within the faculty of commerce) can be selected from other two groups than the group from which Major Subject has been selected. i.e., for Accounts & Finance group, minor subject can be selected either from Marketing group or Human Resource Management group and likewise for other groups.
5. The Major and Minor cannot be selected from the same group.
6. The multidisciplinary subject can be selected from basket only (other than the applicable major and minor subject selected) of parent department or of other discipline (with prior permission of the parent department).
7. The selection of ability enhancement course (MIL) should be based on the subjects being offered by the colleges.
8. The skill enhancement courses should be selected from basket for faculty of commerce offered by the college.
9. The value-added course subject should be selected from basket for faculty of commerce.
